FIREPLACE DETAILS

CLASSIC FLAME INSERTS

The **Classic Flame Inserts** takes an energy efficient and environmentally friendly fireplace to the next level. Instead of replacing a regular incandescent light bulb every 2,000 hours, the LED's used in this insert have a life span of over 75,000 hours and only draw 11.2 watts as opposed to the 120 watts of power from an incandescent light bulb. With this efficiency, you are not only saving the environment, but you are saving your money!

CLASSIC FLAME MODELS

23II033FGL

28II0300GRA

33II042FGL

26II042FGL

32II042FGL

* Insert styles change periodically, not responsible if photos are outdated.

DIMPLEX FLAME UNIT

Dimplex Flame Units have a patented 3D electric flame technology resulting in realistic flame effect. This powerful 100% efficient electric heater is made of high quality materials. Dimplex Flame Units include a 2 year limited in-home warranty through the manufacturer.

Insert Specs (26", 30", and 32")

120V • 12.0 amp • 1,500 watt = 4,600 BTUs

26" - Insert (DFR-2651L) has ON/OFF remote control 2 yr warranty

30" - Insert (DF-3015) has multi-function thermostat control remote control 5 yr warranty.

32" - Insert (DF-3215) has multi-function thermostat control remote control 5 yr warranty.

* *The Dimplex units ship in boxes—you need to slide insert into front of mantle when you set it up.

Dimplex Customer Service: 1-888-346-7539

Curveside Wood Products does not warranty the fireplace units themselves. This is done through the manufacturer. However we will help you obtain parts and service if needed. These units are of the highest quality and we stand by the products we sell.

IMPORTANT: Retail customer needs to receive owner's manual with respective unit. Please stress that electrical specifications and safety standards need to be followed.
