UNIQUE HIGH-QUALITY POLY OUTDOOR FURNITURE  
USA MADE IN OHIO'S AMISH COUNTRY

# Our Story

Siesta Outdoors is located near the small village of Sugarcreek, Ohio. A family owned business, all of our pieces are built with care and attention to detail using the highest quality outdoor materials available. Our frames are built using Tangent HDPE poly. They are assembled using industry's best Allochrome bolts, along with 316 stainless screws, and aluminum tubes for support and strength. All of our seating features our recline and fold system, along with a sling back and seat support system for unmatched comfort and ease of storage and use. The Siesta Set features a one piece poly fiber filled back and seat. The Caribbean Set features fiber filled back with an open cell outdoor foam seat cushion. All cushions come with a 5 year fabric warranty. All frames come with 20 year residential/5 year commercial warranty. New for this year are the multi-surface cleaner and fabric guard for outdoor fabrics (see page 6). NEW: We also now offer our daybeds in additional sizes.

We strive to provide our customers with high quality, long-lasting, comfortable outdoor seating.
